Please allow us to introduce ourselves!

HTC (Hoofddorpse Tafeltennis Club) is the table tennis club for Hoofddorp and its surroundings. A club where both young and older enjoy practising their favourite sport. The club is a member of the Dutch Table Tennis Association (NTTB) and plays in its centrally located own accommodation: the HTC Table Tennis Centre!!

Lots of possibilities

HTC offers table tennis in all forms, for young and old, at all levels:

• Training

If you are over 16 years of age, you can participate in one of our senior trainings: the beginner level on Monday evenings or the intermediate level on Wednesday evenings. If you're under 17 and haven't played so much yet, you can learn the basic techniques at the starters trainings (divided by age). If you are more experienced, you can enhance your techniques in the advanced training groups.

• Open play

There are also several possibilities for open play; players from age 16 and over are welcome on Sunday, Monday and Wednesday. Or would you rather play during the day? Every Thursday morning HTC is open, with a special membership. Players aged under 16 have the possibility for open play on Wednesday and Sunday.

• Competition / tournaments / events

The HTC-teams play in a competition with other teams from Haarlem, Amsterdam and surroundings. During the table tennis season there are several tournaments and other events, either at HTC or at an external location.

How strong is HTC?

For one person an important question, for the other not important at all. As proud as we are of our strongest teams, which have risen above district level and are doing great in national competitions, we are no less happy with our members who practice the sport at recreational level. That's why everyone is welcome at HTC! Young and old, beginners and advanced players, men and women, boys and girls... Table tennis can be played by anyone until a very high age!

Free four week trial period!!

Are you curious about HTC? Then just come and drop by in the HTC Table Tennis Centre. Our enthusiastic trainers and supervisors are happy to tell you all about playing table tennis at HTC. You are welcome to get to know our club for four weeks, without any cost or any obligations. After that, you can decide whether you would like to become a member or not. You can register by scanning the qr-code and filling out the form.
